Some important changes to note:

Some activities now depend on membership package i.e. platinum for Small Group PT on a Monday.

We have also made some sessions into courses where you book each half term, initially this is Dancify-Fit on a Tuesday Evening & Morning Bootcamp on Thursday Mornings, Bootcamp will also carry an additional fee which is ringfenced for the purchase of new Bootcamp Equipment with the plan to move these early morning sessions into the Sports Hall as the numbers grow.

Fit Together will run for another course – starting mid-to late January with Brett on a Thursday Evening, this is subscription only session, please speak to a member of the team to sign up, we have seen amazing results so far from all candidates, many who have featured in Member of the month or year announcements.

There will also be a 20% Discount available to Yeat 11 Students at Wey Valley Academy that turn 16 during 2025.

Summary

I will have included some further information on what's included and the packages in the e-mail with this update. I hope you can appreciate that the changes are due to substantial increases imposed by government on minimum wages & employers national insurance contributions. On analysis it was also recognised that some of the discounts and rates were no longer sustainable long term and to continue to operate these needed to be bought in line with regular membership prices to ensure we can continue to operate.

The great news is that usage of the facilities & class attendance has seen an upsurge in the last quarter of 2024. Long may it continue. Also, at last check it looks likely we will also retain the 3d Clubs MYZONE Challenge title for a 3rd successive year!

Please keep referring members – in **Q1 2025** you will get entered into a draw for a **£100 Sports Direct Voucher** for each referral.

Myself and the team wish you all a Happy New Year and we will strive to continue to offer the great services, friendly, fun environment for Health & Fitness you have become accustomed to as a 3d Wey Valley Member.

Dare to be Different
