

A serene sunset over a rocky coastline. The sky is filled with soft, layered clouds in shades of purple, blue, and orange. The water is calm, reflecting the colors of the sky. In the foreground, several large, dark rocks are scattered across the water's edge. The overall mood is peaceful and relaxing.

## Hot Stone Back/Full Body Massage

**30 minutes £45 / 50 minutes £60**

Upgrade your body massage to incorporate heated Basalt stones, which instantly relax the muscles, allowing the treatment to work at a deeper level. Hot stones work to relax the mind, ease muscle tension, reduce aches and pains and are placed along the chakras to open up energy pathways.

## Deep Tissue Massage

**30 minutes £45 / 60 minutes £65**

Deep Tissue is not only a firm massage with more pressure, but a range of techniques to work on the deeper layers of muscle and connective tissue to release chronic patterns of tension. It involves working beneath superficial layers, to the layers of muscle and tissue, using slow, sustained, deep pressure focusing on one or two areas of the body. We have to work slowly but deeply into the muscle layers and fibres to relieve pressure once the muscles have been thoroughly warmed and relaxed, as to avoid a painful and ineffective massage. The results are aided by the use of ishga's Muscle Recovery Oil containing a powerful blend of anti-inflammatory seaweed extract, eucalyptus, rosemary and peppermint to boost circulation and break down lactic acid.

30 minutes is bespoke massage focusing on 1 area of concern. 60 minutes is a bespoke massage focusing on 2 areas of concern.

If you desire a full body massage, we recommended our 50-minute ishga massage.
